

Zedcor places 162 on The Globe and Mail's fourth-annual ranking of Canada's Top Growing Companies.

CALGARY, ALBERTA – September 26, 2022: Zedcor Inc. (the "Company" or "Zedcor") (TSX VENTURE: ZDC) is pleased to announce it placed 162, which is in the top half of the 2022 Globe and Mail Report on Business ranking of Canada's Top Growing Companies. Canada's Top Growing Companies ranks Canadian companies on three-year revenue growth and the Company earned its spot with three-year growth of 278%.

"I am extremely proud of our entire team that helped achieve these results. Without excellent service that our people provide everyday, we would be unable to achieve this revenue growth. I would also like to thank our customers who continue to trust us with their security needs. Our technology-based solutions continue to allow customers to secure their assets with higher reliability and lower cost than traditional means. We continue to execute on our growth strategy and expansion of our services across Canada which will allow us to serve more customers and continue these successes," said Todd Ziniuk, President & CEO.

Canada's Top Growing Companies is an editorial ranking which aims to celebrate the boldest entrepreneurial achievement by identifying and bringing the accomplishments of innovative businesses in Canada to the forefront. In order to qualify companies had to complete an in-depth application process and fulfill requirements. In total, 430 companies earned a spot on this year's ranking. The full list of 2022 winners along with editorial coverage is published in the October issue of Report on Business magazine. "Canada's Top Growing Companies recognizes the tremendous ambition and innovation of entrepreneurs in Canada," says Dawn Calleja, Editor of Report on Business magazine. "The next generation of Canadian businesses can draw inspiration from this ranking."

FORWARD-LOOKING STATEMENTS

Certain statements included or incorporated by reference in this press release constitute forward-looking statements or forward-looking information, including management's belief that streamlining rental assets with newer equipment will drive improvements in equipment rental rates and utilization, and that the expanded market reach and customer base will lead to more diversity in the Company's revenue stream and increase utilization. Forward-looking statements or information may contain statements with the words "anticipate", "believe", "expect", "plan", "intend", "estimate", "propose", "budget", "should", "project", "would have realized", "may have been" or similar words suggesting future outcomes or expectations. Although the Company believes that the expectations implied in such forward-looking statements or information are reasonable, undue reliance should not be placed on these forward-looking statements because the Company can give no assurance that such statements will prove to be correct. Forward-looking statements or information are based on current expectations, estimates and projections that involve a number of assumptions about the future and uncertainties. These assumptions include that the Company's new solar hybrid light tower and related security and surveillance service offerings will lead to more diversity in revenue streams and protect against future down swings in the economic environment. Although management believes these assumptions are reasonable, there can be no assurance that they will prove to be correct, and actual results will differ materially from those anticipated. For this purpose, any statements herein that are not statements of historical fact may be deemed to be forward-looking statements. The

forward-looking statements or information contained in this release are made as of the date hereof and the Company assumes no obligation to update publicly or revise any forward-looking statements or information, whether as a result of new contrary information, future events or any other reason, unless it is required by any applicable securities laws. The forward-looking statements or information contained in this release are expressly qualified by this cautionary statement.
